

« SLIDE SHOW MARATHON » Regulation

Article 1 - Introduction

The competition is opened to directors of digital slide shows present in Epinal during the Festival, both as individual competitors, or as teams.

Article 2 – Rules

The main objective will consist in realizing a slide show during the 2009 Festival Digital Art of Epinal. The competition will start Thursday, September the 24th, 2009 at 2:30 am and will be ended by Friday, September the 25th at 7 pm. The competition will mainly be based according to restrictions that will be revealed on the spot.

These restrictions could be:

- Imposed Words to integrate into the slide show
- Imposed pictures
- One or several Imposed musics
- Any imposed subject

Or a combination of the above listed restrictions.

Article 3 - Duration

The duration of the composed works should be between 1 to 5 minutes.

5- Technical Considerations

Slide shows must only be submitted as a self-executable file (.exe) containing pictures with a resolution between 1024 x 768 and 1400 x 1280.

Article 5 - Logistics

Organizers will provide competitors with a comfortable and quiet place, equipped with several computers. Basic software (Audacity and Picture to exe) will also be available, as well as numerous musics and a small choice of various pictures.

Authors are free to bring their own outfits and supplies if they wish.

In order to allow us with an optimal preparation for our guests, interested people with this competition should register not latter than September the 1st.

Article 6 - Registration Fees

Registration for the slide show marathon is free.

Furthermore, Thursday evening diner will be offered to all competitors

Finally, we are doing our best to find economical solutions for accommodations, this, in order to help any competitor. People interested should get in touch with us prior to the dead line date.

Article 7 - Awards

Slide shows will be show to a committee (not yet chosen). Awards will grant one or several slide shows, depending on the number of contestants.

Slide shows will be show in the screening room of the Epinal Theatre, on a 6 meters base screen, using an 8000 lumen « Christie » professional projector during the last public session on Saturday evening.

Article 7 - Rights

Presented works are supposed to be free of any artistic or other property rights that could be hold by anyone else (please refer to chapter 9 in the digital slide shows regulation).

Article 8 – Regulation and Rules

Participation to the competition implies the full and whole agreement with the present regulations.
